Joining choir was one of the best choices of my life. It improved my singing and allowed me to make wonderful connections. Thank you for this experience. A special shout-out to Andrea, Enana, Jaylen, and Justin, the first people I met in choir who made it so fun. I love you all so much. - Rosaria Guida

Being in choir is the best decision I ever made. I do not care for singing much (lip syncing master), but the people I met in choir made my senior year all the more special, and I couldn't be more thankful. - Cale Aspenleiter

I wouldn't be who I am without choir in it, I've learned mistakes are important. I thank Janessa for my music everywhere! Leaving hurts, but that's the way the cookie crunchy creamy candy cupcake crumbles. I love you all <3 - Chenoa Glover

Being part of this choir has been one of the greatest joys of my life. The music we created, the friendships we built, and all the laughter. I'll carry every note with me. Thank you. I'll miss you all so much. - Aris Williams

I am so thankful for this choir. Thank you for bringing me out of my comfort zone and for the long lasting friendships. Love you always class of 2026. We did it! - Miranda Espinoza

To my choir family, thank you for giving me the best four years of high school. Every memory, performance, and moment together meant so much to me. I'm forever grateful for your love, support, and friendship. I'll miss you all so much. - Samantha Villa

In my life, I love you more. - Wesley Hicks

Being in choir has permanently affected my life, I love the community, the people, and the music, thank you to my family and friends and teachers for all the support! - Rhianna Kamel

Although we might've not been the best choir, we were the most fun choir to be in! - Sam Nayef

Thank you to everyone who made these last four years so special. I love my choir family, it's like a second home. I can't wait to see where the future takes us all. P.S. Joaquin spilt the hot chocolate - Denise Campos

Choir has really changed me as a person for the better, and I will never forget all the spectacular memories I've made with all of my wonderful friends I can consider family. Thanks for being tough on me sometimes too Janessa, you're the best teacher I've ever had. -Alex Aguirre

Choir has been so fun! I was the wolf for the madrigal dinner and got to help choreograph "Another Day of Sun" for the pops concert. I couldn't have asked for a better first and last year in choir. - Violet Lane

My Senior year was crazy and fun. There were a lot of ups and downs but I wouldn't change anything about it. I made a lot of great friends here and I will keep those friendships as I leave here. - Peyton Connelly

I've always loved music, but the relationship I share with it today would not be the same if not for all the memories with choir and the teachings from Janessa Nadeau. Thank you all for making music with me. -Xavier Rippee

Hi choir, I want to thank you for everything. It's been an honor growing with you guys for the past couple of years. Even though I didn't mean to, I'm forever grateful for the people, opportunities, and the memories. - Jonathan Ayed Haddad

After years of being in Theatre and only being able to sing without fear as a character, choir taught me that my voice shouldn't be something I have to hide. Being my first year in choir, I've learned so much in such a small amount of time. Thank you for everything. -Allison Flickinger
